Heated Blanket CXT

CB100DB

Product Description

12V MAX • 70 x 140 cm

Battery-powered heated blanket

The battery-powered thermal blanket heats up quickly and is easy to attach either to the shoulders or to the waist. Pressing the power switch for a few seconds turns the power on and off. The blanket has three temperature settings and a pocket for the battery adapter. The blanket is machine washable, and be sure to remove the battery adapter before washing. Battery and charger not included.
