Hedge Trimmer XGT

UH007GZ

Product Description

40V MAX XGT • 750 mm • 25 mm

High power brushless motor gives increased power, increased cutting speed and increased work amount

UH007G is a 750mm Cordless Hedge Trimmer that is powered by 40V MAX XGT Li-Ion battery. The combination of XGT Battery and a high power brushless motor gives increased power, increased cutting speed and increased work amount that adds up to produce an increased performance by these trimmers. The innovative tool design and high output batteries combine to make these trimmers superior to our current models of LXT and Engine hedge trimmers and provide a genuine solution for high-demand industrial users.
