Belt Sander

9920

Product Description

1 010 W • 210 – 440 m/min • 76 mm

Powerful belt sander for polishing and material removal with adjustable speed

An easy-to-use belt sander with a powerful 1 010 W motor. The belt speed can be adjusted between 210 – 440 m/min. The flat top design allows the sander to also be used as a benchtop tool.
